

**U.S. GOVERNMENT: ACKNOWLEDGMENT OF RECEIPT OF
CLASS REQUIREMENTS, POLICIES ON GRADING, AND ALL
HOMEWORK ASSIGNMENTS AND DUE DATES:**

I have received and read the syllabus for US Government. I know what the grading policies are, the late work policy, and I know there is an opportunity to resubmit assignments and retake tests for a grade of up to 75%.

I understand all of the information in the syllabus. I also know that the syllabus contains all of the homework for the semester and all of the due dates. I understand this class is required for graduation and the minimum passing grade is 60% or 600 points.
