Subject: Market Your Business While Supporting Our Volcano Vista Cross Country program

Dear Sponsor,

Volcano Vista HS (Home of the Hawks) is one of the newest high schools in Albuquerque. It is located on the west side (west of Universe/South of Paseo del Norte). During the 2010 season, the boys' and girls' cross country team is continuing to build its program to one of the best in the state. We are looking to have a great season.

It is our pleasure to offer your company/organization the opportunity to become an Official Sponsor of the 2010 Volcano Vista Hawks Boys' and Girls' Cross Country Program. By becoming a Sponsor of our team, you are enabling many fine young athletes to participate in a team sport that emphasizes integrity, teamwork and respect for coaches, teammates and opponents. Your generous sponsorship enables our cross country program to provide additional resources for our program. As a result, these resources will assist the program in providing a first class program for our great student athletes.

By sponsoring the team as a business owner, you will be a part of our 2010 Official Cross Country Poster. This poster is displayed proudly throughout the city by other sponsors and proud supporters of our program. It is wonderful opportunity to increase your business' visibility in the community and show your endorsement of high school athletics.

If you would like more information or have any questions, please call Ryan Gilmore at 890-0343 x 37224 or gilmore_d@aps.edu .

Thanks you for your generous support of the Volcano Vista High School Cross Country program.

Go Hawks!

D. Ryan Gilmore
Volcano Vista High School
Head Coach – Boys' and Girls' Cross Country
